

SLB / BN / SNL
Swiss National Library

The Swiss National Library in Berne, the Association of International Librarians and Information Specialists AILIS and the CERN Scientific Information Service are pleased to announce their 2005 series of Library Science Talks. The series offers library and archive staff the possibility of learning from and communicating with personalities in library services and organizations.

The talks cover important and topical issues for librarians. Experienced library figures will explore these and related topics.

The sessions are as follows:

Presentations will be held twice: in Berne at the Swiss National Library (except for the June talk) and in Geneva at CERN, WHO, WIPO, ILO or ITU, always at 15:30.

All the presentations will be in English, except for the presentations in Berne by Hans Liegmann, Ulrich Pöschl and Eva Ramminger which will be in German. The talks are open to all who are interested.

For the talks in Berne at SNL, external guests should be at Hallwylstrasse 15 at 15:30. For further information and a map, you can contact Ms. Genevieve Clavel, genevieve.clavel@slb.admin.ch or 031 322 89 36.

For the talks in Geneva at CERN, external guests should be at the Reception of CERN building 33 at 15:15 to be guided to the conference room. You should register to attend,

stating your interest in all sessions or in any one in particular, by contacting Ms. Susanne Schaefer telephone 022 767 24 31 or e-mail susanne.schaefer@cern.ch.

For the talk in Geneva at the World Health Organization (WHO), external guests should come in the main door at 20 Av. Appia, turn right and go down the stairs to the other end of the building where the WHO Library is situated. The talks will take place in the Library Training Room. One can register to attend by contacting the secretariat of the WHO Library by telephone at 022 791 20 77, or e-mail ailis@who.int

For the talk in Geneva at the World Intellectual Property Organization (WIPO), external guests should be at the reception desk of WIPO, 34, Chemin des Colombettes, at 15:20 to be guided to conference room 1.27 on the first

floor of the main building. You can register to attend by contacting Laura Wray by telephone 022 338 95 38 or e-mail at library.mail@wipo.int.

For the talk in Geneva at the International Labour Organization (ILO), external guests should go to the ILO library on floor R2 (South). The talk will take place in the Library Discussion Room and library staff at the Information Desk can direct you to the room. One can register to attend by sending an email to ailis@ilo.org

For the talk in Geneva at the International Telecommunications Union, external guests should go to the ITU reception in the Tower building, ITU, Place des Nations, 1211 Geneva 20. Please register beforehand with Kristine Clara : kristine.clara@itu.int
